DIRECTORATE OF ACCOUNTS & TREASURIES**

No.10148/DAT/LIC&NIC/2019-20

Puducherry,
Date: 20-01-2020

CIRCULAR

Sub: DAT- LIC&NIC- Remittance of Premium and entry of LIC empcode – Reg.

Ref: G.O.Ms.No.77/94/F3 dated 18/08/1994 of the Finance Department,
Puducherry.

It is observed that the premium towards the GSLI Scheme of LIC is recovered from the employees without adhering to the schedule of recoveries i.e., in the middle of the year as and when the status of the government servant changes on promotion/upgradation of post.

2. It is known that the commencement of recovery of revised rate of premium is from the month of April onwards as per the G.O. referred above. As such, when the status of the Government servant changes on account of promotion/upgradation of post in the middle of the calendar year, the recovery of revised premium according to the group has to be started from the month of succeeding April only as stipulated in the G.O cited above. But in many cases this practice is ignored.

3. As such, the **DDOs may ensure and confirm the recovery of premium in relation to the group the employees belong to as on date, the empcode, the premium amount recovered upto February 2020 and the GPF/PRAN No uploaded in the DAT Website. If any corrections, may be brought to the knowledge of this Directorate on or before 20/02/2020.**

4. It is reiterated that the **empcode of LIC may be correctly mentioned in the pay bill and the correctness of the empcode may also be ensured from the DAT website so as to avoid any difficulties in the final settlement of savings/insured fund to the subscriber.**

5. It may also be noted that according to the guidelines given in the above said G.O., it is clear that contract employees, persons on deputation from central and state governments, public sector undertakings, or other autonomous organizations, casual labourers, part time and ad-hoc employees will not be covered by the schemes. Yet, NIC applications are being received from various DDOs for employees coming under the above categories. Hence all DDOs are requested to scrutinize the applications with reference to the G.O. referred above and forward only the applications satisfying the conditions/norms.
