DIRECTORATE OF ACCOUNTS & TREASURIES**

No.DAT/OBA/21-22/ 380

Puducherry, 16/02/2022

CIRCULAR

Sub : DAT – OBA – DDO level meeting in connection with unadjusted advances – Reg.

It is stated that temporary advances drawn by various departments remain unadjusted even after several reminders/meetings by this Directorate. The details of pending advances is updated regularly in this Directorate's website for reference.

In the last DDO level meeting conducted by this Directorate, assurances were given for adjustment of pending advances by November 2021 but still many departments have long pending advances.

Therefore, it is proposed to conduct a review meeting at the level of DDO of the concerned Departments as scheduled in the Annexure. Also, the DDOs are requested to co-ordinate with the concerned Pay section to sort out the discrepancies if any and submit a consolidated action taken report on the points raised in the previous meeting held.

It is also stated that this Directorate has not received proposal from Departments for clearing the pending OBA item for more than 10 years before the OBA Committee constituted vide G.O.Ms No.113, dated 29.10.2018.

The A.G. Audit is severely criticizing about the long pending, huge OBA items and non production of Utilization Certificates by most of the departments. Therefore, the Heads of Departments/Offices are requested that necessary instructions may be issued to the DDOs under their control to take suitable action to bring down the quantum of pending advances and ensure to attend the review meeting without fail.

It is further informed that during the scheduled review meeting with DDOs, pending status of non-production of Utilization Certificates will also be reviewed as per the department wise details uploaded in this Directorate website.

The DDO and Staff concerned must bring relevant details in respect of OBA as well as pending UCs while attending the meeting and ensure proper maintenance of Covid guidelines.
