GOVERNMENT OF PUDUCHERRY DIRECTORATE OF ACCOUNTS & TREASURIES

No.DAT/OBA/21-22/371

Puducherry, 16/09/2021

CIRCULAR

Sub: DAT - OBA - DDO level meeting in connection with unadjusted advances - Reg.

It is stated that temporary advances drawn by various departments remain unadjusted even after several reminders/meetings by this Directorate. The details of pending advances is updated regularly in this Directorate's website for reference.

In the last DDO level meeting conducted by this Directorate, assurances were given for adjustment of pending advances by April'20 but still many departments have long pending advances.

Therefore, it is proposed to conduct a review meeting at the level of DDO of the concerned Departments as scheduled in the Annexure. Also, the DDOs are requested to co-ordinate with the concerned Pay section to sort out the discrepancies if any and submit a consolidated action taken report on the points raised in the previous meeting held.

It is also stated that this Directorate has not received any proposal from many departments for consideration of pending OBA of more than 10 years, before the OBA Committee.

The Heads of Departments are requested that appropriate instructions may be issued to the DDOs under their control to take suitable action to bring down the quantum of pending advances.

Also due to COVID-19 pandemic, the guidelines issued by the Government viz; wearing face mask, hand hygiene and social distancing have to be strictly followed and also only one staff per department will be permitted to attend the meeting. The DDO/staff concerned must be well prepared before attending the meeting so as to avoid unnecessary delay in completion of the session.
